FEDERAL BUREAU OF INVESTIGATION

1Date 7/2/68

Mrs. NADINE BOOHER advised that she resides 11141 Mansel, Inglewood, California, and that she owns and manages the Malibu Riviera Restaurant, 20356 Pacific Coast Highway, Malibu, California.

Mrs. BOOHER stated that the only recollection she has of a conversation wherein something may have been mentioned concerning both HOFFA and KENNEDY would have been some considerable time prior to the KENNEDY assault and murder. Mrs. BOOHER said that she had formerly employed one HERMAN PRUJAN, whose true last name is PRUJANSKY, but who is generally known by the nickname "TURK". PRUJAN had been the General Manager of the restaurant, however, was terminated because of his general attitude and questionable integrity. He last worked during mid-May of this year and has not been seen since that time. Mrs. BOOHER said that PRUJAN had told her he formerly was in business in Detroit, Michigan, and had several dealings, not more specifically described, with JIMMIE HOFFA. She said that in a casual political conversation, PRUJAN (TURK) said something to the effect that "HOFFA has too much influence and control over the union members to allow anyone to be elected president who had offended him and in particular that BOBBY KENNEDY couldn't get elected unless HOFFA were released from prison."

Mrs. BOOHER, who advised she is also known by the name of NADINE SKAFF, furnished her date of birth as June 8, 1918. She said she has no knowledge or information which she considered would be of any pertinent interest in connection with the KENNEDY murder and that any comment made by her concerning KENNEDY and HOFFA would have been based on the general topic of political campaigns and elections. She added, however, that she is aware of the fact that her former employee, PURJAN, has been under investigation by the Los Angeles County Sheriff's Office in connection with the theft or sale of stolen TV sets. She could not be more specific regarding this.

SUBJECT: KENSALT

Rememo SA A.O. RICHARDS, 8-9-68.

On 9-17-68 MRS. FRANCES EVANS, 11125 Hibbing, Cerritos, Calif., recontacted advised as follows:

She attended an adult education class in Introduction to Philosophy from Sept. 1967 to January 1968 at Fullerton Junior College; instructor, KIM NAFFA. In addition to the classes there were discussion groups made up of State College teachers, teachers, members of NAFFA'S class and interested individuals. NAFFA had many Arab friends that attended the discussion sessions that were not members of this class. They discussed current problems in the mid-east and their problems with the Zionists and the like.

NAFFA did not appear as radical as some of the people present but does support the Arab viewpoint. Those in attendance that night and on other occasions generally had the viewpoint that there is a revolution now in progress in the world and on the campuses which they favored. These people if not pro-Communists were at least one world advocates.

After one of the discussion groups in November 1967 at NAFFA'S home, 408 Barry Pl., Placentia, unlisted telephone 714-528-1170, 3 or 4 Jordanians came there from Pasadena, Calif., some were studying engineering at Pasadena City College. One of those from Pasadena spoke with quiet desperation about how his fathers land and home had been taken from them twice by the Zionists and to the effect that to heck with Philosophy if the Communists would help them why not go with them. She said she is 99% sure this was SIRHAN SIRHAN who she later saw on TV.

EVANS was not sure who else was there, maybe SIRHAN'S brother, possibly TED VJARDIS, Economics Prof., Cal. State Fullerton, a Greek and perhaps JOHN BUCHANAN, a teacher and one world advocate; Geography, Cal. State Fullerton. CANNON

MRS. EVANS, a housewife, two children said she is registering Cal. State Fullerton this semester to further her education; one year at Univ. Texas.

MRS. EVANS said that a Jewish friend of hers said they considered NAFFA a public relations man for Jordan and that he speaks at many affairs because of his moderate views. MT

In Washington, he will consult with the medical team from the Armed Forces Institute of Pathology, who participated in the autopsy. It is his intention to go over his report with the members of the Armed Forces Institute of Pathology for the purpose of insuring that the report is correct in every detail. On 9/12/68, an attempt was made to contact Mr. MC ROY at his office, at which time ETHEL T. FIELD, a secretary, advised that MC ROY was on vacation. FIELD contacted MC ROY's secretary, who advised that the autopsy report was not yet complete and that Dr. NAGUCHI was still in the process of preparing it.

Re airtel from LA, 9/9/68.

Enclosed for Seattle are a copy of reairtel and the photograph referred to therein.

Persons interviewed in connection with the investigation conducted in the San Francisco area have indicated that BILL BEAR is presently in the Seattle, Washington, area but they have no specific information through which he could be located.

ANTHONY GRECCO, Manager, Continental TV, Inc., 3300 Broadway, Oakland, California, has advised that WILLIAM BEAR was employed by him as a salesman for about two months. BEAR left without giving notice about the middle of August and has not been seen since by GRECCO. GRECCO in fact owes BEAR \$90 in commissions which he would be happy to pay him if BEAR would get in touch with him. Approximately six weeks ago GRECCO received a telephone call from a Muntz TV dealer in Seattle asking for references in regard to BEAR and indicated that BEAR was then employed by him. GRECCO does not recall the name of this dealer but stated he is probably the only Muntz TV dealer in Seattle.

FEDERAL BUREAU OF INVESTIGATION

Date October 11, 1968

WILLIAM R. HODGES, Army Serial No. [REDACTED] assigned to Company C, 1st Battalion, U. S. Army Medical Training Center, Fort Sam Houston, advised that on June 4-5, 1968, he resided at 513 Ocean Boulevard, Manhattan Beach, California. His present home address is 235 25th St., Hermosa Beach, California. He advised he is a graduate of the University of Southern California at Los Angeles in June, 1967, and in June, 1968, was working for the Manhattan Beach City School District as a substitute teacher, fourth through eighth grades.

He advised he arrived at the Embassy Room about 7:45 p.m., June 4, 1968. With him in his car was his girl friend CAROL FENBURY, 2216 Strand, Manhattan Beach, California, and his brother ROBERT R. HODGES, 531 21st St., Manhattan Beach, California.

In a second car was his brother DAVID HODGES, 235 25th St., Hermosa Beach, California, and the latter's girl friend JANET LOWRIE, who is employed at the Westrey Nursery School. Also in that car were DEKKER RAWLINGS and his wife SHARON RAWLINGS who live in Manhattan Beach.

The two cars arrived with their occupants within five minutes of each other.

LINDA LEE HODGES, wife of ROBERT R. HODGES, had gone to the Embassy Room earlier and stayed later than the others of the party.

From approximately 7:45 p.m. until about 11:30 p.m., all of the party were together, standing between the TV cameras and the entrance to the corridor from which Senator KENNEDY was expected to enter the Embassy Room.

HODGES remembered that at about 10:30 or 10:45 p.m., he saw a man with bushy dark hair, slight build, about 5'5" tall, dressed in an old jacket, dark dirty-looking pants, walking from the direction of the corridor doors toward the podium. He said he lost sight of this individual in the

crowd, and that he really saw only the back of his head. He said that this man was not moving in a definite direction, but appeared rather to be wandering.

He said this individual attracted his attention because he was the only unkempt person in the room; everyone else there was dressed in business clothes and looked clean and well kept. He said that he remembered remarking to his girl friend CAROL FENBURY, "How do you suppose he got in?" He said he was not sure, but that CAROL may have seen this individual also.

HODGES said that none of the members of his party had a camera. He did not remember seeing any girl in a polka dot dress.

HODGES viewed a photograph of SIRHAN B. SIRHAN, and stated he could not identify the unkempt person he had seen as being identical with the photo of SIRHAN.

He said that since the hour was getting late and it appeared they would not be able to see Senator KENNEDY, he, CAROL FENBURY, and ROBERT HODGES left about 11:30 p.m. in their car and the others with the exception of LINDA LEE HODGES left in their car at the same time. He said that his car was on the freeway returning to Manhattan Beach, California, when they heard the announcement of the shooting on the radio.

HODGES said that CAROL FENBURY is employed by the Torrance City School District. His sister-in-law, LINDA LEE HODGES, is a substitute teacher employed by the Lennox School District. His brother, ROBERT R. HODGES, is a law student attending a private law school near Long Beach, the name of which he could not remember. His younger brother DAVID HODGES is a student at El Camino Junior College.

Miss Barbara Bard, who identified herself as a reporter at the United Nations and a representative of the "Anglo Jewish Press", telephone #544-7590 called the NYO and stated that Dr. Mohamed T. Mehdi, who is head of the "Action Committee on American Arab Relations", has recently written a new book entitled "Kennedy and Sirhan". According to Miss Bard, Mehdi alleges that the American Jewish Communists rather than Sirhan are responsible for the assassination of Senator Robert F. Kennedy. The book in question, according to Miss Bard, is to be released in the near future and she was furnishing this information for whatever value may be placed on it by the FBI.

She further stated that the book was published by Wagners Printers, Cedar Rapids, Iowa, and in the event she ever receives any further information concerning Mehdi or the "Action Committee on American Arab Relations" she would furnish it to the New York Office.

The above is for the information of the Bureau and Los Angeles.

Re Los Angeles letter, 9/16/68, identifying persons registered at the Ambassador Hotel, Los Angeles, 6/4-5/68.

PAUL MATHIAS, 22 East 67th Street, NYC, is a US Correspondent of "Paris Match". MATHIAS telephonically contacted the NYO, 10/14/68, from Cape Kennedy, Florida, and advised he was not at the Ambassador Hotel 6/4/68. He had covered Senator KENNEDY's campaign until about 6/2/68, when he returned to NYC. He did return to Los Angeles later on 6/5/68, but after notice of the assassination was made in NY. He has no knowledge of the events leading up to the shooting or of SIRHAN SIRHAN.

MATHIAS, however, furnished the following as being of possible interest:

BERNARD GIQUET, a correspondent for "Paris Match", about one year ago was in New Orleans, doing a story on District Attorney, JIM GARRISON. On his return to NYC, he quoted an attorney (or former attorney) of JAMES HOPEA as making the statement at that time, "If BOBBY ever runs we'll knock him off first". The attorney was not identified by name by GIQUET, to MATHIAS'S recollection, and he does not know of any connection between this statement and

Facts of complaint

C related she is concerned over something she heard about the S and his family. C said the S had married a Mexican woman some time ago, who had 5 children, presumably by a previous marriage. She said both the S and his wife are members of the Peace and Freedom Party, and are said to have held P&F meetings at the above residence. She said there are continually "hippie" types hanging around the property. C said she has heard that both the S and his wife claim they are communists and are proud of it. C said she has also heard they have just moved to the "beach area" (location unknown) for a six month period. She felt the FBI might want to know about this.

POLICY REGARDING ALL REQUESTS FOR
INTERVIEWS OF CBS PERSONNEL BY
GOVERNMENT INVESTIGATORS
EFFECTIVE 9/19/68
RESEARCH MATTER

Captioned policy was personally outlined to SA LESLIE F. WARREN 10/16/68 by Mr. GRANT HOLCOMB, Manager, News Division of CBS owned KNXT-Channel 2, 6121 Sunset Boulevard, Los Angeles. This was a result of a request to interview three employees of the KNXT News Division, potential witnesses in the KENSALT case. They had been reported present at the Ambassador Hotel at the time of KENSALT by a potential witness, PATRICK TIFFANY MC LAUGHLIN, interviewed by the Memphis Office 9/30/68. The employees were ELIZABETH HERMAN, Junior News Writer; JOE DYER, former Reporter now in the Community Relations Department and JIM BROWN, News Reporter.

A further request had been made by SA WARREN to monitor a tape of a television program aired by CBS-Los Angeles, 10/12/68, "The Insider-Outsider", on which LA 5045-R (PROB) had appeared along with certain "black militants".

With respect to the requests, Mr. HOLCOMB called Mr. WILLIAM WHITTSETT, Senior Attorney in CBS Legal Department, CBS-TV City, 7800 Beverly Boulevard, Los Angeles, who requested SA WARREN be placed on the phone and in a three-way conversation Mr. WHITTSETT explained captioned policy which he said became effective following a top level CBS Executive Conference at CBS headquarters in New York City and was currently being applied to all CBS personnel. In effect it requires a subpoena be served by a government investigator to interview CBS personnel. Mr. WHITTSETT said he would be willing to appeal to CBS New York headquarters to rescind the policy on behalf of the FBI upon request of the FBI in the KENSALT inquiry. However, he voiced the opinion such an appeal might more effectively be made on a request by the FBI headquarters direct to CBS headquarters, New York City. He instructed Mr. HOLCOMB to make a copy of the CBS memo outlining the new policy available to SA WARREN for review but not furnish him a copy. In substance, contents of the memo were:

The memo dated 9/19/68 was from Mr. WOOD (ROBERT D. WOOD, President, Columbia Television Stations)(CTS) to Mr. BEINDORF (RAY L. BEINDORF, Vice President and General Manager, KNXT-Channel 2, Los Angeles), et al (other CBS-TV department heads on West Coast).

It mentioned CBS "experiencing many requests for news personnel to be sources of information as well as witnesses in civil and certain investigatory proceedings. You may consider the following an interim policy and how to fill such requests."

"CND (Columbia Network Division)-a number of requests have been received from government investigators to furnish names, and correspondence of news involved in coverage of events being investigated, e.g. recent violence in Chicago." In addition approval has been made directly to CND employees by government investigators, these pending and requiring urgent action. CND requested guidance as to how to handle these requests for names etc and how employees should be advised to respond directly to approaches by government investigators."

"The logic underlying policy adopted at meeting #80, August, 1968, for handling requests for, as broadcast news material and outtakes, is generally applicable to requests for the observations, recollections and notes of CND, CTS and CRD (Columbia Radio Division) news; went as follows:"

"All request for interviews by government investigators, involved in coverage of events under investigation, should be reviewed with the Law Department by an officer of the division involved."

"Criteria:

"A. Nature of Inquiry."

"B. Whether, what is requested is essential to the establishment of facts pertinent to the inquiry."

"C. Whether compliance would in any way impair our ability to obtain such news stories in the future."

"If a determination is made to comply with a request, the investigator will be asked to obtain and serve a subpoena."

The CBS personnel in all departments in the Los Angeles area have been most cooperative with the Los Angeles FBI Office during past investigation conducted at CBS and a cordial relationship currently exists.

RECOMMENDATION

The above is for the Bureau's information and appropriate action at CBS headquarters in New York to attempt to gain a recension of the CBS policy with respect to FBI interview of CBS personnel, advising the field offices accordingly.

"Three weeks ago in Sac. I tried to warn your officers. I just come down from Portland the morning I went beserk. Sunday I guess it was. Well they did shoot him. Hope he lives".

No record of this alleged warning could be found. DEVENY advised he was calling in the event DEAN might have some information regarding the killing of Senator ROBERT F. KENNEDY.

On 10/4/68, DEAN was interviewed by SA NORMAN P. LE CLAIR at the Sacramento City Jail. DEAN identified the postcard as his handwriting, but had no recollection of sending it or of advising any police officers in Sacramento that he knew anything about any planned killing. He stated he knew nothing at all about the killing of Senator KENNEDY and that the postcard had nothing to do with the Senator's murder. He had no idea why he wrote the postcard, but noted he always writes to friendly PDs where he has previously been incarcerated.

DEAN is described as follows:

Name	<u>WILLIAM AMOS DEAN</u> , aka <u>William H. Dean</u>
DOB	<u>2/22/21</u> , at Kansas
Hair	Brown
Eyes	Brown

DATE: 10/22/68

FROM : SA FREDERICK L. BIGGERS

SUBJECT: KENSALT

On 10/17/68, Mrs. JOHANNA WIDMAN, 8125 Devenir Avenue, advised that she was the person who called the FBI, Los Angeles, identifying herself as Mrs. JEAN JONES. She also stated that she furnished a fictitious phone number to the FBI, Los Angeles. Mrs. WIDMAN stated that there is no one by the name of JEAN JONES, but that she sometimes has mail addressed to her by this name. Mrs. WIDMAN stated that after thinking it over, she had no information concerning the KENNEDY assassination or any conspiracy related to it.

It will be noted that Mrs. WIDMAN is a quiet elderly widow, who appeared to be emotionally upset and could not understand why a representative of the FBI would be contacting her. She was advised that she was being contacted as a result of the telephone call she made to the FBI on 10/16/68.

In view of the above, it is recommended that no further action be taken concerning Mrs. WIDMAN, aka JEAN JONES.

Memorandum

TO : SAC, Los Angeles

DATE: 10/22/68

FROM : Director, FBI

SUBJECT: ASSASSINATION OF SENATOR
ROBERT F. KENNEDY

On 10/14/68, Dr. John Holloway, Deputy Medical Examiner, Los Angeles County, California, telephonically contacted the Laboratory at the request of the Chief Medical Examiner for Los Angeles, Dr. Thomas T. Noguchi. Dr. Holloway stated that in a recent conference at the White House relative to this case, President Johnson expressed the desire to Dr. Noguchi to have a Federal laboratory conduct neutron activation analyses on certain items of evidence collected by the Los Angeles, California, Police Department and his office.

Dr. Holloway was inquiring if the FBI Laboratory could examine by neutron activation analysis methods a specimen bullet, foreign metallic deposits on a piece of bone and several biological specimens containing foreign metallic deposits. The purpose of such examinations is to show that the foreign metal deposits originated from a bullet of the same lot as used by assassin Sirhan Bishara Sirhan.

It was explained to Dr. Holloway that it was doubtful that such conclusions could be reached from such analysis and that at best, it might be concluded that the foreign metal smears could have originated from a bullet of similar composition. Our policy of not examining materials previously examined by other laboratories was also defined to Dr. Holloway. Dr. Holloway was not certain as to what examinations had been made but stated he would find out.

Upon conclusion of the discussion, Dr. Holloway advised that he would contact Dr. Noguchi and subsequently make a formal written request setting forth the examinations desired and the extent and nature of prior analyses. Dr. Holloway was advised that upon receipt of such information, the Bureau could then determine whether or not we would consider making any analyses.

Re Los Angeles letter to New York dated 10/17/68, requesting interview of Mr. W. DUMBROW, CBS News Division, 524 West 57th Street, New York, New York.

WFO teletype to Bureau and several offices dated 6/18/68 requested Philadelphia to interview WALTER DOMBROW of CBS.

New York airtel to Bureau containing photographs from BILL EPPRIDGE of "Life" Magazine lists WALTER DUBROW, a CBS Cameraman in the photos.

Los Angeles letter to New York dated 9/16/68 requested New York to interview WALTER DOMBROW, 524 West 57th Street, NYC (which is CBS).

Los Angeles airtel to NY dated 9/24/68 states that WALTER DOMBROW of CBS was interviewed in Philadelphia.

In view of the fact that W. DUMBROW of CBS News Division, 524 West 57th Street, New York, New York, is probably a misspelling of DOMBROW, no further efforts are being made by NY to interview W. DUMBROW.

Re WFO airtel to Los Angeles dated 10/11/68.

On 10/18/68 the registration records of the Ambassador Hotel, 3400 West Wilshire Boulevard, were reexamined in an effort to obtain additional information regarding STEVE ISENBERG who was registered at the Ambassador Hotel as a member of the KENNEDY CAMPAIGN PARTY at the time of the Senators assassination.

A review of the registration records fail to reflect any further information regarding ISENBERG and no information regarding ISENBERG's employment or residence was requested by the hotel because he was part of the KENNEDY party and the KENNEDY campaign paid the entire bill.

Attached are zerox copies of the only material in the possession of the hotel that makes any mention of ISENBERG.

SUBJECT: UNSUB; aka

OO: SEATTLE

RE: My airtel dated 9/13/68.

For your information, Spokane, Washington, Police Department Detective LOUIS MOSS has advised that Unsub has recently cashed another of the introductory checks he obtained at the Manito Branch, Old National Bank at a Standard Oil Co. Station at 3rd and Cedar in Spokane. Unsub was driving a Pontiac Firebird, California License WSP-227, which Spokane PD has determined from DMV Sacramento, is registered to "CECELIA GOLDSTEIN, 8618 Whitworth Drive, LA R/O". Legal owner is "Republic National Bank of California, 6320 San Vicente Blvd., LA L/O".

Unsub has been identified as having recently frequented Playfair Racecourse in Spokane, and there he cashed a \$50 counter check drawn on the Spokane account he opened. He remarked to employees of the Spokane bank and at the race track that he had been on the staff of former Senator ROBERT F. KENNEDY and witnessed KENNEDY's assassination. JAMES BAKER, Thoroughbred Racing Protective Bureau agent at Playfair, has made inquiry of his agency at Los Angeles and according to Detective MOSS, has been advised that the Special Division of the Los Angeles Police Department investigating KENNEDY's assassination, observed an individual matching unsub's description hanging around the hospital where KENNEDY died but he was not identified then.

RE: REBECCA FOGEL

Mr. Deriek Chase, Radio Station CFRA, Ottawa, Canada, on 10/14/68 advised that the captioned individual, a retired United States Post Office employee, has alleged that she has been denied proper hospital treatment while in Canada because of undue influence and pressure from American authorities.

According to Mr. Chase, Mrs. Fogel states that although she has been admitted to Canadian hospitals for medical treatment which she desperately needs she is very soon forced from those hospitals because of United States pressure possibly from the FBI, CIA or other such agency. Mrs. Fogel apparently claims she has vital information concerning certain investigations of criminal activity in the United States including the case of Sirhan Sirhan, the alleged murderer of Robert F. Kennedy, and that she is being denied proper treatment in order to keep her quiet concerning such matters.

Mr. Chase was advised that certainly the FBI was not involved in any investigative activity in Canada and would certainly not deprive a person from proper hospital care. He stated that he fully understood that this would be true. Bureau files show that Mrs. Fogel is an obvious mental case, a self-admitted homosexual, has claimed to have applied for and been refused political asylum in Israel, Canada, and Australia and has made numerous unfounded allegations against various Government agencies and individuals. Above is for information.

ANTONIO ALBIZO ORTIZ

This document contains neither
recommendations nor conclusions of
the FBI. It is the property of
the FBI and is loaned to your agency;
it and its contents are not to be
distributed outside your agency.

On August 21, 1968, a confidential source abroad advised that he had verified that ANTONIO ALBIZO ORTIZ is known at Avenida Emilio Carranza 87, Mexico 13, DF. He said he learned from individuals at this address that ALBIZO is a Mexican of humble origin and, apparently, limited talents who is the leader of the members of the Federacion de Organizaciones Populares (FOP) in the 16th Electoral District. In this work, he deals with those who need some social service and participation in conferences which are given to aid the members regarding problems of their work, health, education, and welfare. The source learned that meetings of this type are held twice a week at this address. The source was not able to determine the exact residence of ANTONIO ALBIZO ORTIZ, and the persons interviewed stated that they had not noticed anything obviously lacking in his mental faculties.

On September 27, 1968, a second confidential source abroad advised that he had spoken with more than twenty individuals concerning ANTONIO ALBIZO ORTIZ and had learned that he is also known as ANTONIO ARBIZU ORTIZ. He is single and those interviewed agreed that he is about thirty-two years old but has some gray hair.

The second source found the offices of the FOP of the Federal District at Lucerna 55, Colonia Juarez, Mexico, DF. Another organization at this same address is La Confederacion Nacional de Organizaciones Populares (CNOP) which operates on a nationwide basis. The head of CNOP, Lic. JIMENEZ DEL PRADO, stated that he did not know ANTONIO ALBIZO.

The top official of FOP, Prof. CARLOS ALEMAN, stated that he did not know ALBIZO.

More than twelve employees were questioned in the FOP office and, finally, one of them said that he did know ALBIZO but that ALBIZO was not one of the office personnel and not a regular employee but was one of the many thousands who work at infrequent intervals for this organization.

The second source conducted inquiry in the neighborhood of Avenida Emilio Carranza 87, Mexico 13, DF, and determined that ALBIZO works two days each week for a Mr. SANCHEZ who maintains an office at this address and lives at Emilio Carranza 91. The source stated that SANCHEZ is in the business of handling land sales and that the office is very unkempt. It has a crude, unpainted, wooden table for a desk and benches of unpainted wood where working people wait while trying to buy land.

Both SANCHEZ and his daughter stated that they did not know the address of ALBIZO and described him as a Bohemian who has no fixed residence and stays part of the time in the home of one friend and other times with other friends. They said he is a personable young man who is trustworthy and a good worker but that he has ideas which are somewhat strange. They said he has the habit of always telling things which originate in his own fantasy and they consider him a little unbalanced mentally but not to the extent that he would be harmful to others. They said it is exactly because of the fantastic tales which he relates and invents that he is useful to SANCHEZ in the business because he can easily convince people of limited education that they ought to try to buy lands which are actually not completely free of other claims. The source pointed out that the newspapers are full of stories of people who have been victimized by buying lands fraudulently offered for sale

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

and that these sales are not handled in an official manner before a notary public but only carried out by private agreements.

The second source spoke with workers in a shoe repair shop which is next door to Emilio Carranza 91, and these people also stated that ALBIZO is a very likable person but "half crazy," although he represents no danger to others. The source stated that each and every person who knows ALBIZO in this neighborhood spoke about him in the same manner.

The records of the Judicial Police for the Federal District and Territories, Mexico City, contained the following information:

ANTONIO ALBIZO ORTIZ, Avenida Rio Churubusco 19, San Andres Tetepilco, Mexico, DF, was arrested on February 27, 1960, for malicious damage and was assigned to the 12th Ministerio Publico under Act 39305/60. The only descriptive information in the record indicated he was a Mexican residing at the above address. On March 1, 1960, ALBIZO was referred to the Judge of the 14th Instance, 5th Section, and was released subject to further proceedings. No indication of further action appeared in the file.

On August 30, 1968, a check of the records of the Identification Section of the Metropolitan Police, Mexico City, revealed the following information:

ANTONIO ALBIZO ORTIZ, Avenida Churubusco 19-13, Colonia San Andres Tetepilco, Mexico, DF, was fingerprinted on September 8, 1958, in connection with a license to work for the Mexican Streetcar Service. At that time ALBIZO was twenty-five years old, single, a janitor. He was born in the state of Jalisco, Mexico, no birth date set forth.

Secret Service, Salt Lake City, Utah, brought to the Salt Lake City Office a brown paper shopping bag containing a white dress with dark polka dots and some documents. The paper bag was wrapped with a white shoelace and was addressed "FBI, Salt Lake".

Mr. GRUBE stated the package had been delivered to his office and undoubtedly originated with VIOLA DE HON, 233 South 7th East, Salt Lake City, Utah, or her daughter, JOY DE HON, 268 South 7th East. Both of these individuals are mental patients and have sent numerous items of mail to the Salt Lake City Office.

The package and its contents are being forwarded herewith to Los Angeles as there is an indication the polka dot dress has a connection with captioned case. It is suggested these items might be furnished the Los Angeles Police Department for their information and any use they might have for them.

FEDERAL BUREAU OF INVESTIGATION

Date 10/11/68

MELVIN V. FERGUSON was interviewed at his residence, 2410 Mountain View Street. He advised that he is also known as BUD.

FERGUSON purchased a 1968 Pontiac Bonneville two-door hardtop during the first part of 1968. He pointed out this vehicle parked on the driveway of his residence. The vehicle is white over turquoise and bears California license WHU 991.

Mr. FERGUSON stated that this vehicle has never been in the city of San Francisco and that he has never allowed anyone to borrow the car, even for a short period of time. Mr. FERGUSON stated that his wife has driven the car on short local trips such as to the grocery store, but that she has never driven the car out of the city of Concord.

FERGUSON stated that he is a heavy equipment operator and that during the past summer he worked for Piombo Construction Company of San Carlos, California. His job was driving a large "cat" in a dirt moving job on a golf course by two small lakes west of San Mateo College. His job foreman was RED HARRIS.

When asked of his whereabouts on June 29, 1968, FERGUSON advised that on June 17, 1968, while working on a car in a parking space located at 1115 Virginia Court, Concord, where he formerly resided, the car fell from a bumper jack and crushed his chest. FERGUSON was off work from that date until July 15, 1968, under the care of Dr. MARTINO and Dr. ELDREDGE, both of Concord. He said that he was not allowed to drive a car during this time and, in fact, was not capable of operating a car due to extensive damage to his right shoulder, rib cage, and lung as a result of the accident.

FERGUSON stated that the name of JERRY OWEN is not familiar to him and that he does not know a Mr. HARDESTER. He has never intentionally tried to run any person off of any road and that he has not been involved in any "near accidents" recently in which anyone might gain the impression that he was trying to "run them off the road". It is to be noted that the negatives contain darken impressions which may or may not be of value to the investigation of this case.

Re WFO airtel to Los Angeles, 10/21/68.

On 10/28/68 ~~ROXANE EBERLEIN~~, 18 Aiken Ave., Princeton, NJ, Assistant to ~~JOHN B. MARTIN~~ advised that MARTIN, a former Ambassador to the Dominican Republic, is actively participating in HUMPHREY's election campaign. She said ~~LAWRENCE O'BRIEN~~ would know how to reach MARTIN, as would HUMPHREY's secretary or chief aide traveling with him. EBERLEIN said MARTIN was in the Ambassador Hotel at the time of KENNEDY's shooting. He had conferred briefly with the Senator about comments he would include in his address in the ballroom. KENNEDY left for the ballroom while MARTIN remained behind. He left the suite to get a smoke in the hallway and had intended observing KENNEDY's speech on TV. Somebody, said EBERLEIN, watching the proceedings, located MARTIN and told him about the shooting.

EBERLEIN said the foregoing could be attested to by Mrs. MARTIN who is at their summer home in Nestoria, Mich., telephone 906-323-6305. She said MARTIN, to the best of her knowledge, left no itinerary where he could be located. She believed him to be traveling either with HUMPHREY or ahead of him, helping set up speeches and talking to newspapermen, etc.

Further leads to contact JOHN B. MARTIN or Mrs. MARTIN are being left to the discretion of LA.

1. How do you justify taking one land from one people (Palestinians) and giving it to another (Zionist Jews)?
2. In the name of what justice do you justify the Palestinian refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. How do you justify the Zionists Jews coming from other countries and taking the place of the real owners (Palestinians) who have fled to different parts of the world from Zionists terrorism and aggression?
4. How do you justify the killing and murders that take place and are still taking place in Palestine?
5. How do you justify giving and supporting the Zionists state with military aid as phantom jets so that they kill more innocent and peaceful people (Palestinians)?
6. How would you like someone forcing you out of your house and throwing you in the backyard and giving it to someone else that is not the owner?
7. How would you like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not (it depends on your conscience whether you believe in justice or not). We as Palestinians are ready to die for our beloved country (Palestine) and the only peaceful solution for our people is that Palestinians should go back to their homes and the Zionist Jews should go back to their original countries where they come from. If the Zionist Jews come from paradise, let them go back to paradise and if they come from hell let them go back to hell and the Palestinian Refugees should go back to their homes and land.

I am not a communist and I hate communism. You know and it is very clear that there is no communist practices or organizations in the Arab World. If there is communism in the Arab World, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States has turned against them and if there is communism in the Middle East, American politicians are to blame because they are using good hearted American people for their own glory and fame. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, fame and glory and not for themselves. It is also a shame to see American Presidential candidates bow and kneel to Zionism to get in the white house.

Communism is using new techniques in modern warfare which is (kill yourselves) as for example what happened in Viet Nam where American soldiers were killed and not one Russian soldier's blood was shed.

Zionism is using America and taking advantage by claiming that America should fight communism for their aim which is the destruction not only for America but for the whole world. For example, the killings, murdering, and robbing and inhuman barbarian and animalistic and criminalistic acts and behavior that they committed against the innocent peace-loving Palestinians is illegal. Also, Zionism in America is blurring the vision of good hearted Americans so that they cannot see black from white and keeping them away from the truth. The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country or the Zionist state which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed by Palestinian Commandos to destroy every American politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

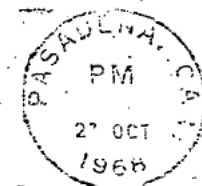

Sincerely Yours,

SUBJECT: KENSALT

On 10/28/68, representatives of Secret Service Headquarters furnished a copy of a communication addressed to Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C. This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. Sirhan, 696 East Howard Street, Pasadena, California, and the envelope was addressed to Nixon.

Copies of the attached are forwarded for the information and assistance of Los Angeles. An effort is being made through Bureau liaison to obtain the original or a more detailed copy. The Laboratory is conducting examination of the signature in order to determine if it was, in fact, that of Sharif Bishara Sirhan.

Inasmuch as the communication may constitute a possible violation of the Extortion Statute Los Angeles should initiate immediate investigation in order to determine whether it was in fact prepared by Sharif Sirhan. Consideration should be given to conducting an immediate interview of the suspect.

29 October 1968
283 Cascade Rd. S.W.

TO THE FBI,
Atlanta, Ga.

Here is some information I feel you may be interested in and I wish to report it in the hope it will be of value to you, but also hope you will not make my name public.

On the evening of Sunday June 2nd 1968 my niece, ^{her} husband and children from Illinois came to visit me on their vacation.

On Monday the next day, June 3rd, they felt too tired from their trip to do much sight seeing around Atlanta, but suggested they would like to go to the airport in the evening to see the Jets come in and take off; a past time enjoyed by many people.

That evening of June 3rd when we walked into the main upper lobby of the airport building about 7 PM Atlanta time, we heard a loud voice coming over the airport loud speaker calling Cerrano - Cerrano. It was repeated several times asking the party to come to one of the ticket counters. My friend who lives with me looked at me and I at her both thinking what an odd name with both first and last names the same.

We went immediately to the observation platform and enjoyed seeing the children enjoying the sights. As I was seated on one of the benches 3 men pushed by me rather rudely, so I took special notice of them. One, a thin slender, blonde-about 5ft5inches-long thin face with very light complexion. A second man short-about 5 ft, round face dark hair but looked american, and a taller man about 5ft 9- thin, dark brown hair and dark skin who looked foreign to me. Their countenances looked evil to me and they seemed to be in a hurry. I jumped up from the bench to find the children not knowing what 3 men were up to. Then I saw them enter (the 3 men) the inner glassed in portion of the observation platform and pointing towards the Eastern air lines planes. The thought crossed my mind and I wondered whether they were plotting to hi-jack a plane. Then they disappeared.

About ten minutes to 9 PM we left the platform going back thru the main lobby to the parking lot to get our car. Again when we entered the lobby we still heard the name Cerrano Cerrano being called and repeated several times. I kept wondering to myself what was the significance of that name.

The next morning Tuesday June 4th when we heard that Robert Kennedy had been shot by a man whose name was SIRHAN SIRHAN, I still could not shake off the feeling of the night before. Then when a clear picture of Sirhan was shown on the news on TV I saw that of one of the 3 men seen at the airport evening.

Perhaps I should have reported this before but I am not want to get myself involved either and tried to. But this morning when reading the Atlanta Constitution page 7 an account of Earl Ray (Kings murderer) telling a news man about a Blonde Latin aman who had made different kinds of arrangements

for him, I thought could this be the same blonde man I saw at the airport and a part of some type of conspiracy? It is since reading this mornings paper that I felt urged very strongly to report what I had heard and seen at the airport on the night of June 3rd 1968.

I shall be glad to discuss this with you but believe I have given all the important details. I would appreciate very much also that you not give me any publicity in this matter. I am not easily scared and have no fear/~~frem~~ the wrong element. I have reported things before to the FBI here in Atlanta and respect your good judgment.

1. An official Spanish service informed this office in a report dated 24 September 1968 that it had taken a statement from Spanish national Agustin CORREA Rafael, DPOB: 2 August 1947, Herrera de Alcantara, (Caceres), Spain, after he had been arrested on 20 June 1968 by the Civil Guard for driving without a license. He had been arrested twice before for having crossed international borders (not further identified) clandestinely.

2. CORREA stated that he had become involved in smuggling activities in Portuguese territory about three years ago through a Portuguese count (not further identified). The count is about 45 years old, owns a castle in Castel de Vide, Portugal, which is about eight kilometers from the Spanish-Portuguese border, and has ten children.

3. The above-mentioned count is in contact with a United States national whose name is believed to be Jose CAR(R) from Dallas, Texas. CAR owns twelve launches on which he transports merchandise, liquor, and tobacco to different places on the Portuguese coast mostly in the Lisbon and southern areas. CAR comes to Portugal about every 20 days and stays at an unidentified hotel in Lisbon. The count is always informed of CAR's arrival in Portugal.

4. On 12 June 1968, CORREA overheard a conversation between CAR and an unidentified person during which CAR said, "We have already taken care of Robert Kennedy, his brother will fall soon." The conversation took place on the launch "Fatima".

DATE: 11/4/68

FROM : SA JOSEPH DOYLE POWELL

SUBJECT: KEMSALT

On 11/4/68 MRS. TILLEN A ADAMEK, 3313 Burritt Way, La Crescenta, California, appeared at the Pasadena RA and advised SA POWELL of the following:

At the time of and immediately after the assassination of Senator ROBERT F. KENNEDY, Mrs. ADAMEK was suffering from and recovering from a nervous breakdown.

Some few weeks after the assassination Mrs. ADAMEK sent an unsigned, anonymous letter to the office of the Attorney General of the State of California in which she wrote that EDWARD ADAMEK and JOHN EARHART, both identified as living in Tucson, Arizona, were involved in the murder of Sen. KENNEDY.

EDWARD ADAMEK is Mrs. ADAMEK's former husband. JOHN EARHART is married to EDWARD ADAMEK's sister. Mrs. ADAMEK does not know their addresses beyond their being in Tucson.

The information Mrs. ADAMEK put in the letter was based entirely on delusions and there is no basis in fact whatsoever for the information that they had some connection with the murder. Mrs. ADAMEK has recently heard that Mr. ADAMEK and Mr. EARHART were in the Los Angeles area in response to some form of request or summons dealing with the KENNEDY matter. She expressed her deep concern that they might be subject to some abuse, prosecution or at the least inconvenience due to her irrational act when she was suffering from a mental illness.

Mrs. ADAMEK advised she lives with her daughter at the above address. The residence phone there is 248-7493. She requested any contact with her be circumspect in that her daughter would be greatly alarmed if she knew what Mrs. ADAMEK had done as indicated above. Mrs. ADAMEK works at a telephone answering service, phone 796-8111 from 11:00 PM to 7:00 AM, and could be reached through that number.

An FD 302 as to an interview with Ruth Crowley was recently sent to LA.

As to #1 and #2 above, there is no such address. It appears that Ann Lockshiwss is identical with Ann Lockshiss. Also it appears that Alice Karalus is identical with A. Karacus and A. Kavalas.

In view of the above NY is of the opinion that all individuals mentioned in #1; #2; and #3 have been interviewed.

FROM: Lt. E. Hernandez
Investigator, Background Conspiracy Team

SUBJECT: Polygraph Examination of Mrs. Donna Herrick
9436 Pentland, Temple City, Calif. Ph# AT 67877

Mrs. Herrick was administered a polygraph examination on August 6, 1968 at the Polygraph Facilities of Scientific Investigation Division.

Mrs. Herrick informed that she was the wife of Benjamin J. Herrick and that they owned the Lock, Stock N' Barrel Gun Shop at 8972 East Huntington Drive, San Gabriel, Calif.

The purpose of this examination was to determine if Donna Herrick had been truthful to agents of the F.B.I. when she told them that on or about April 3, 1968 she had observed Sirhan Sirhan in company of two Males of foreign decent at her place of business.

On that day, June 16, 1968, she informed the F.B.I. that she was positive Sirhan had attempted to purchase some 357 Magnum Tank Piercing ammunition, and she selected photographs of Adel and Munir Sirhan as bearing a strong resemblance to the men that were with Sirhan. Further, Herrick stated that she remembered Sirhan had such a heavy accent that she was unable to understand him. In fact, she asked her husband for assistance to help interpret what Sirhan was saying.

During the pre-test interview, Donna Herrick was questioned regarding the statement she had given to the F.B.I. on June 16, 1968, and she maintained that the statement was true.

Additional questions were asked relative to the date that she observed Sirhan (on or about April 3, 1968). She then modified her statement, and then changed it again ultimately saying that Sirhan could have been in the store during the week of March 27 or during the week of April 10, 1968. However, she definitely remembered Sirhan having a very heavy accent.

When Mrs. Herrick was informed that as a matter of fact, suspect Sirhan speaks English very well and has no trace of any accent what so ever, Mrs. Herrick stated "Well, maybe he was mumbling."

At this point of the pre-test interview, Mrs. Herrick was asked if she would voluntarily submit to a polygraph examination, she considered for a few moments and then agreed to take the test. MOA J 1968

Continued

The instrument and its functions were discussed with Mrs. Herrick and she was explained the theory and the procedures that would be followed during the course of the examination.

Prior to instrumental testing, a polygraph was obtained to determine whether she was a proper subject and capable of producing patterns adequate for interpretation. Responses were provoked, which indicated that Mrs. Herrick was a proper subject.

During the course of the examination, physiological tracings at points where crucial key questions were asked, indicate quite strongly that Mrs. Herrick was being untruthful.

After the initial tests, two additional series of questions were asked and each of these contained questions relative to four key issues which had been previously asked and to which Mrs. Herrick had responded strongly with indications of deception.

- (1) Was there anything that Mrs. Herrick had told the polygraph examiner about Sirhan that was not true?
- (2) Did Mrs. Herrick honestly remember ever seeing Sirhan inside her store in person?
- (3) Did Sirhan ever try to buy ammunition from Mrs. Herrick in person?
- (4) Did Mrs. Herrick honestly believe that the person she had told the examiner about was not Sirhan?

Upon conclusion of the polygraph examination, Mrs. Herrick was informed that her responses clearly indicated that she was either mistaken or that she was deliberately being untruthful, but that she could not honestly say that she remembered seeing Sirhan or talking to him in person. Further, she was informed that her answers to the above questions were clearly indicative of deception. To this, Mrs. Herrick stated that she admitted she was confused, but she did believe Sirhan had been at her store, and again she was informed that the results of the polygraph examination did not show this. (Complete statement recorded in tapes #29328 & 29329. These tapes in file in S.U.S)

TRA-DEPARTMENTAL CORRESPONDENCE

August 7, 1968

TO: Lt. Manual Pena, OIC Background Conspiracy Section S.U.S

FROM: Lt. E. Hernandez, Investigator Background Conspiracy Team

SUBJECT: Polygraph Examination of Mr. Larry Arnot

On August 5, 1968 a polygraph examination was administered to Mr. Larry Arnot, 517 Melcanyon Rd., Duarte, California, Ph#358-8787.

The examination was administered by Lt. Hernandez in the polygraph facilities of Scientific Investigation Division Room 432A, Parker Center.

The purpose of this examination was to determine the truthfulness in Mr. Arnot's statements given to the F.B.I. on June 16, 1968. When he informed them that he had sold (4) four boxes of ammunition to suspect Sirhan Sirhan and two other dark foreign-looking Males who were present with Sirhan at the time of the ammunition purchase on June 1, 1968.

On that day, June 16, 1968, F.B.I. Agents Bruce Bradford and Norbert Linker showed Arnot (5) five photographs of Sirhan and his (4) four brothers. Arnot identified Sirhan as being the person that purchased the ammunition, and also selected a photograph of Shariff Sirhan, as "Bearing a strong resemblance to the individual that was present with him." Arnot said that he would be unable to identify the third person that was present in the store on that day.

Prior to instrumental testing on the polygraph, Arnot was questioned regarding the statement given by him to the F.B.I. on June 16, 1968. He maintained that his original story as given to the F.B.I. was true to the best of his recollection.

Arnot was shown a total of 17 look-alike photographs by Lt. Hernandez. These included four of the Sirhan brothers. Arnot looked over each of these photographs carefully and selected the following three photographs:

- (1) Photograph of Munir Sirhan
- (2) Photograph of look-alike - Bk No. 63481-1965
- (3) Photograph of another look-alike - Bk No. 102661-1966

After selecting Munir Sirhan's photograph, Arnot commented that he felt he had been brain-washed because he had observed Munir's photograph on a number of previous occasions and therefore he felt that this was influencing his opinion. As to the other two look-alike

SEARCHED	INDEXED
SERIALIZED	FILED

Continued

photographs that he selected, Arnot stated that he believed he remembered the two people depicted on the photographs as being present with Sirhan on June 1, but was not positive.

The instrument and its functions were discussed with Mr. Arnot, as were the theory and procedures of the polygraph examination. He was given an opportunity to ask questions concerning any phase of the examination. The questions which were to be asked instrumentally were reviewed with Mr. Arnot before any instrumental testing began.

A polygraph was obtained prior to the examination, which established that patterns capable of interpretation could be obtained. Responses were provoked. This indicated that Mr. Arnot would be a proper subject for polygraph testing.

During the course of the examination, physiological tracings at points where crucial questions were asked suggest very strongly that Mr. Arnot was being untruthful. He was specifically asked if he honestly remembered seeing any person with Sirhan inside the Lock, Stock N' Barrel Gun Shop on June 1, 1968, and his responses at this salient point indicate that he does not remember seeing anyone with Sirhan on that day. Further, after carefully evaluating the examination charts, it is the opinion of this examiner that Larry Arnot does not in fact remember Sirhan or the business transaction that took place on June 1, 1968 when the ammunition was purchased by Sirhan.

Larry Arnot was informed of the results of the examination and the conclusions that were arrived.

After a short period of interrogation, Arnot ultimately admitted that the only logical explanation for his failing the test was because he had lied.

He explained that the truth was that he was confusing the sale of ammunition to three other dark complexion men, and in his mind he was trying to convince himself that this was the Sirhan incident. However, he said that he could truthfully remember Sirhan being in the store on June 1. He knows that he sold Sirhan the ammunition because of a sales receipt which he made out, but he just cannot remember Sirhan or the sale.

As to the two men that he had described as being with Sirhan, he stated that he had probably been misled by Mrs. Donna Harrick. She had told him that Sirhan and two other men had been in the store on a day previous to June 1. Therefore, he had assumed that these two men could have been with Sirhan on June 1.

Again Arnot was reminded that he had no sound basis to form this assumption, and he admitted that he did not.

Arnot requested that the previous reports as given to the F.B.I. be corrected. (Statements of Larry Arnot in file S.U.S Tape #29325)

ReBulet 10/31/68; re Los Angeles letter to Director
11/12/68.

For the information of the Bureau, in addition to the handwriting samples of members of the family taken by Agents of this office, there are additional documents on file at the Pasadena, California, Police Department and at the City of Pasadena Welfare Department containing the signatures of SHARIF SIRHAN and SAIDALLAH SIRHAN. The most recent of these is a receipt for welfare funds given to SHARIF and SAIDALLAH SIRHAN dated 11/4/68. The second is a handwriting sample card made out in the name of SHARIEF B. SIRHAN on 3/30/65 and signed by him in the same way. Also available are copies of handwriting specimens of SAIDALLAH SIRHAN as contained on two pawn tickets dated 9/16/68.

Xerox copies of these documents are enclosed. The Bureau is requested to advise Los Angeles if the originals of these documents should be obtained at this time.

For the information of the Bureau, on 11/8/68 Lieutenant GERALD WRIGHT, Pasadena Police Department, Pasadena, California, advised that there is a deep and bitter rift in the

SIRHAN family between SAIDALLAH and SHARIF SIRHAN, who are living apart from the family home, and the mother, MUNIR and ADEL SIRHAN. Pasadena police officers who have been guarding the house on Howard Street have reported that several days ago SAIDALLAH SIRHAN appeared at the house and was refused entrance by his mother. He allegedly threw a fit of temper, screaming at her and accusing her of having money and not dividing it with SHARIF and himself. Lieutenant WRIGHT indicated he has arranged some welfare payments to SAIDALLAH and SHARIF on the basis of their contention that they could not work under their present circumstances.

At the time of the interview of SHARIF SIRHAN on 11/7/68 it was noted that SAIDALLAH SIRHAN, who was present, had been drinking. Later the same evening, about 10:00 P.M., SAIDALLAH appeared at the Pasadena Police Department looking for his brother SHARIF. SA PHILIP J. REILLY spoke with SAIDALLAH on the telephone to assure him that his brother was not in FBI custody. SAIDALLAH appeared to be quite intoxicated at this time, and separate conversation with Sergeant CHARLES T. DUVALL of the Pasadena Police Department, who was interviewing SAIDALLAH at the time, confirmed this.

Re Portland letter to Los Angeles dated 10/9/68.

Referenced letter transmitted 22 copies of an FD-302 covering an interview with EDWARD MOSKOWITZ of 1440 South West Huntington, Portland, Oregon.

It was noted on Page 2, Paragraph 1, of the enclosed FD-302 that MOSKOWITZ indicated that he saw ROOSEVELT GRIER and BROWN holding on to a small man. No information has come to the attention of the Los Angeles Office that anyone by the name BROWN was connected with the detention of SIRHAN after the shooting. Possibly MOSKOWITZ maybe referring to RAFER JOHNSON who did assist GRIER in holding SIRHAN.

It is requested that the Portland Office recheck this point and submit a corrected FD-302 if appropriate. Also it is noted in the FD-302 that the spelling of the last name of ROOSEVELT GRIER is spelled incorrectly and should be spelled GRIER.

Re Jackson airtel to Bureau, 10/21/68, and Los Angeles airtel to Bureau, 10/24/68.

Information copies are furnished to Mobile and Birmingham as they have had previous leads in this matter.

On 11/8/68, J. B. GIBSON, COD, Pascagoula, Miss., advised that on 11/7/68, at 2:05 a.m., he picked up LEE JOSEPH PITTS, JR., 546 N. Fair St., Pascagoula, a N/M, born 12/21/50. He said this individual admitted to him that he had been calling young white boys in the community using the name ANTONY DENEER and impersonating a young white French female. GIBSON advised that PITTS was using telephone number 762-9920 located at Larry's Standard Service, Highway 90, Pascagoula, at the time he was arrested. GIBSON said he noted this was the same telephone used by an individual using the name SUBRINA DUBLE who had been called to his attention earlier by SA JAMES J. FILES. He said he questioned the boy about these calls and is satisfied that he was the one who made the calls using the name SUBRINA DUBLE, although he did not admit it on interview. He said he did admit making the calls to the young white boys impersonating the young white girls.

GIBSON said that PITTS' mother, who is an intelligent and respected Negro in the community and who works for the Police Department as a crossing guard, told him that her son had in his possession recently literature from the FBI concerning employment opportunities, bearing the FBI phone number at Jackson.

Since there is nothing to indicate that PITTS has any knowledge whatsoever concerning this investigation, he is not being contacted.

Re Los Angeles airtel to Baltimore dated
 11/14/68.

Referenced airtel advised that the interview of three persons is still outstanding in the Baltimore Office. For the information of WFO, one of these persons is Mr. E. FERGUSON, Baltimore Sun, Baltimore, Maryland. A check with the Baltimore Sunpapers reflects that E. FERGUSON is assigned to the Washington Bureau of the Sunpapers.

By teletype dated 6/19/68, WFO was requested to contact one PAT FERGUSON, correspondent for the Baltimore Sunpapers, who was located in the Washington Bureau of the Sunpapers. It appears E. FERGUSON and PAT FERGUSON are one and the same. WFO should ascertain if these two persons are identical and, if not, should interview E. FERGUSON along lines previously set out by Los Angeles Office.

Los Angeles' attention is called to Baltimore airtel dated 11/8/68 wherein an FD 302 was forwarded on an interview of one Mrs. PATRICIA ANN STEWART. Mrs.

SIRHAN BISHARA SIRHAN

On June 5, 1968, at 12:15 A.M., Senator Robert F. Kennedy, United States Senate, was at the Ambassador Hotel, Los Angeles, California, celebrating his victory in the primary elections for the selection of a Presidential candidate for the Democratic Party for the forthcoming elections in November 1968. At that time Senator Kennedy was shot and killed, and the assassin was taken into custody. The assassin was identified as Sirhan Bishara Sirhan, and he is presently awaiting prosecution in the custody of the Los Angeles County Sheriff's Office, Los Angeles, California.

The Los Angeles Police Department, Los Angeles, California, was furnished a letter addressed to John Weidner, 1380 North Lake Street, Pasadena, California, from one Mr. Esbes, Poste Restante Utrecht, Bernardpluin, Utrecht, Holland, which is believed possibly to have been intended for Sirhan Bishara Sirhan. A copy of the letter, envelope, and a copy of a letter sent by the Los Angeles Police Department to the Hoofdbureau, Gemente Politie, Utrecht, The Netherlands, are attached.

The Los Angeles Police Department are most interested in making a determination as to:

1. The identity and background of Mr. Esbes.
2. The identity of the person for whom the letter was intended.
3. If the letter was intended for Sirhan Bishara Sirhan, all information that might be in the possession of Mr. Esbes concerning this individual.

Enclosed is a copy of a letter which was received by an ex-employer of Sirhan B. Sirhan.

Sirhan B. Sirhan, is in custody of the Los Angeles Sheriffs Office for the alleged assassination of United States Senator Robert F. Kennedy.

We are attempting to determine the authenticity of this letter and also the date it was sent from Holland to the United States. Our crime lab interpreted the post mark as being 21 VI 10, 1968. A clarification of this date is requested.

It is further requested that Mr. Eshes, be interviewed and that all information possible with respect to the writer of this letter and his alleged acquaintance with Sirhan be forwarded to this department.

At present there is serious doubt that said writer knew Sirhan. Investigation thus far indicates this letter is a hoax. Please be assured of our cooperation in all matters of mutual interest.

My dear friend

Thanks for Your letter of April 29 but am I surprised to read that You have completely changed your mind

What has gone into You, Sirh??

I know You have always been a kind of pessimistic even since the first time I know You back in '64

But You can't live on that way, why don't You try to change it?

I know arabian thinking is different than american thinking, but don't forget, You have a real free life and You can do whatever You like to.

Why don't You talk to your girlfriend about it? She will understand You. As far as I can see, it is a pretty girl. Why don't You send me some more or better pictures from both of You? Are You going to marry her?

I hope she will give You the life You want. Maybe You will have some kids then after a few years and You will see everything looks different then.

You wouldn't like it the way it is right now in the U.S.?
or do you??

Look what happened to Dr King a couple of weeks ago

I know to be rich is nice but I had so many bad
luck in my life that I finally got used to it, and
I am satisfied with what I have right now, and besides
that my old boss came to me to ask me back to work

Well so you see, not having too much money, having a
lot of risks and all that stuff, all of a sudden the tide turns
The 1st of June I will start there and I know I am going
to enjoy it

Well dear Sir I hope you won't do anything you will
be sorry for later and please give me finally your real
address I even believe that this address is not complete
without the name of the street I thought Los Angeles was
so big that this could hardly be enough.

Why don't you get married right away then you can
have your own address. Moving from one to the other isn't
good at all.

My daughter is growing up fine. She will be 9 years
old at the 6th of August. Send her a nice card will you?

Well Sir I am going to bed now because it
is pretty late and tomorrow I have a lot of work to do.

I hope you will write pretty soon so we will have
better contact with each other than in the past.

I wish you and your girl all the best for the future

Many Greetings

COMMUNICATION ADDRESSED TO RICHARD NIXON
AND HUBERT HUMPHREY, NATIONAL HEADQUARTERS,
WILLARD HOTEL, WASHINGTON, D. C., SIGNED
BY SHARIF B. SIRHAN

On October 28, 1968, representatives of Secret Service Headquarters furnished a copy of a communication addressed to Richard Nixon and Hubert Humphrey, National Headquarters, Willard Hotel, Washington, D. C. This communication was allegedly signed by Sharif Bishara Sirhan and was postmarked Pasadena, California, October 22, 1968. The return address was given as Sharif B. Sirhan, 696 East Howard Street, Pasadena, California, and the envelope was addressed to Nixon. A Xerox copy of the letter is attached.

On November 7, 1968, Sharif Bishara Sirhan was contacted at his residence, 1659 North Lake Avenue, Pasadena, California, by two Special Agents of the Federal Bureau of Investigation (FBI), Los Angeles, California. Also present at this time was his brother, Saidallah B. Sirhan, who shares a flat with him at this address, and Mr. Anthony Sherman, Jr., a representative of the United States Secret Service Agency, Los Angeles branch.

Sirhan was advised by the FBI Agents that the inquiry related to the authorship of a two-page written document addressed to President Elect Richard Nixon and Vice President Hubert Humphrey, bearing the signature Sharif B. Sirhan. Mr. Sirhan was then orally advised by the FBI Agents of his rights. He was then asked to read an Advice of Rights Form. Mr. Sirhan interrupted this to say, "Before I say anything, I want to see the letter." A copy of the above-mentioned letter was given to him to read. He read it slowly, line by line, his hands visibly shaking, although he showed no other signs of emotion.

Mr. Sirhan then said, "I did not write this. It is not mine." He then indicated he was certainly in agreement with some of the political statements contained in the letter and had himself expressed some of these ideas, but he would not

specify which of these points he was referring to. He stated he also disagreed with some of the points in the letter.

Mr. Sirhan said he had no knowledge as to who the author of the letter could be. He said he did not dictate the letter to anyone or cause it to be written in his name. He denied that the signature at the end of the letter was his and added that the signature appearing on the letter was not a good copy or facsimile of his own. In this connection, he said he sometimes signs himself Sharif B. Sirhan, sometimes Sharif Sirhan.

Mr. Sirhan declined to furnish a signed statement attesting that the letter and signature were not his. He refused to furnish any samples of his signature, stating, "You have my signature and you have your experts. See to it yourself!"

Mr. Sirhan said he did not have a typewriter in the flat but added that there was a typewriter in his mother's home in the room formerly occupied by his brother, Sirhan B. Sirhan. He said he did not know what kind of typewriter this was and described it by dimensions as being a standard size typewriter. He indicated that he did not use it.

Mr. Sirhan said he does not know about any such organization in the United States as "the Palestine Commandos" but was certain there were many of this type in his homeland.

Mr. Sirhan said the lines drawn at the bottom of page two of the letter beneath the signature have no significance to him as Arabic or any other type of symbol and could not comment on them.

Mr. Sirhan said "No" to the question as to whether he had any reason to believe the letter in question could have been written by another member of his family or anyone of his acquaintance.

Mr. Sirhan turned to the contents of the letter and said the thoughts expressed in the letter could be the thoughts

of a majority of persons living in the United States. He then with some emotion bitterly described the manner in which he had been treated since the assassination of Senator Robert Kennedy. He spoke of people "staring at him everywhere he went", of people coming to his home and asking him questions. He said, "They say my brother killed him. Why do they have to come to me with all their questions? I didn't kill him." At this point Mr. Sirhan was reminded of the purpose of the interview and the reasons therefor, but he appeared upset and said he had nothing to add on this matter, and the interview was terminated.

1. How do you justify taking one land from one people (Palestinians) and giving it to another (Zionist Jews)?
2. In the name of what justice do you justify the Palestinian refugees living in the desert in tents and suffering from hunger, disease, and dying away from their homeland after being the owners of the land in Palestine?
3. How do you justify the Zionists Jews coming from other countries and taking the place of the real owners (Palestinians) who have fled to different parts of the world from Zionists terrorism and aggression?
4. How do you justify the killing and murders that take place and are still taking place in Palestine?
5. How do you justify giving and supporting the Zionists state with military aid as phantom jets so that they kill more innocent and peaceful people (Palestinians)?
6. How would you like someone forcing you out of your house and throwing you in the backyard and giving it to someone else that is not the owner?
7. How would like someone to strip you from your country and consider you as a second class citizen after you were a first class citizen? This is what happened in Palestine.

Palestine belongs to Palestinians just as America belongs to the Americans whether you like it or not (it depends on your conscience whether you believe in justice or not). We as Palestinians are ready to die for our beloved country (Palestine) and the only peaceful solution for our people is that Palestinians should go back to their homes and the Zionist Jews should go back to their original countries where they come from. If the Zionist Jews come from paradise, let them go back to paradise and if they come from hell let them go back to hell and the Palestinian Refugees should go back to their homes and land.

I am not a communist and I hate communism. You know and it is very clear that there is no communist practices or organizations in the Arab world. If there is communism in the Arab world, they were forced to accept and ask for help from Russia in order to liberate Palestine from Zionism because the United States has turned against them and if there is communism in the Middle East, American politicians are to blame because they are using good hearted American people for their own glory and fame. It is a shame to mention this but it is the truth. American politicians should look for America's greatness, fame and glory and not for themselves. It is also a shame to see American Presidential candidates bow and kneel to Zionism to get in the white house.

Communism is using new techniques in modern warfare which is (kill yourselves) as for example what happened in Viet Nam where American soldiers were killed and not one Russian soldier's blood was shed.

Zionism is using America and taking advantage by claiming that America should fight communism for their aim which is the destruction not only for America but for the whole world. For example, the killings, murdering, and robbing and inhuman barbarian and animalistic and criminalistic acts and behavior that they committed against the innocent peace-loving Palestinians is illegal. Also, Zionism in America is blurring the vision of good hearted Americans so that they cannot see black from white and keeping them away from the truth. The disorder and violence, crime, hunger in America is caused by Zionism through their propaganda and by sending millions of American dollars to the Zionist State. I wonder how they can be loyal to two countries, America and Israel? Is America their country or the Zionist State which is called Israel?

I not only love America but I am ready to die for America. I hate to see America being used by Communism and Zionism. Communism is destroying America on the outside, and Zionism is destroying America on the inside.

I have asked these questions to Senator Robert Kennedy in May 1968 but he ignored us and went on promising the Zionists with jets so that he gets more votes to get to the White House, here I find myself asking the same questions to you again. Please do not force us to believe in political assassination which is against our heritage and culture unless we are pressed from you. Let it be clearly known that I have ordered and directed by Palestinian Commandos to destroy every American politician who supports or negotiates any kind of help to the Zionist State. We are aware of Dayan's visit to the United States in December 1968. This will be his last visit.

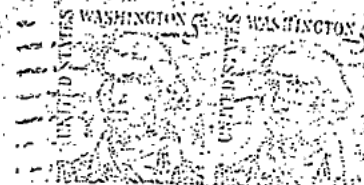

I further more beg and ask again and again please do not make us believe in political assassinations. And as I mentioned above, I am willing to die for America as for Palestine. I hate to see America destroyed by Zionism and Communism. We think in America that we are above Communism and Zionism. The truth is not that, but we are lost in between.

We thank you for giving this matter the greatest consideration hoping that you will be against the aggressors (Zionists) for the sake of justice and the world peace, thank you.

Sincerely Yours,

Sharif Saman

Re WFO Air tel to L. A. 9-28-68 re interview with John Pilzer of the London Daily Mirror in DC and WFO obtaining an address for him at the Beverly Carlton Hotel, L. A. Pilzer was a guest in Ambassador Hotel at time of Kensalt.

On 10-7-68, Maria Coats, desk clerk, above hotel, 9400 W. Olympic Bl., Beverly Hills, Cal. # 275-5221, advised the correct spelling of the name is John Pilger. He checked out 10-5-68 on a trip to Arizona and New Mexico on an assignment for from 2 to 3 weeks. He left no forwarding address. His reservation was made by a ~~XXXX~~ Suzanne Harris, # 278-3766.

A call to above # 278-3766, 10-7-68 by Agt. ascertained this was the Number of Mrs Geraldine Harris, mother of Suzanne, the latter age 19 and who worked for the Senator/Campaign press office in L. A. She agreed to have Suzanne call Agt. Kennedy

Sue Harris called 10-8-68, said she lived at 1489 Canfield Av., L. A. # 273-0418. She had formerly worked in office of Dick Kline, Director of public relations for Sen. Robt. F. Kennedy in So. Calif. She said John Pilger, a free lance journalist was on an assignment in Arizona and vicinity, was on the move and she did not know where he could be reached. He is expected back in 2 to 3 weeks to L. A. He could best be contacted through his New York office, 220 E. 42nd St., NYC, N.Y., phone (212) MU-72666. She said Pilger had been interviewed several times re Kensalt, and was getting "teed off" about it. Seems they had been calling him long distance. She did not know if the FBI had interviewed him or not but knew the LAPD had interviewed him as she had his name in a press book which the LAPD took and interviewed every one whose name was in it.

(Sue Harris was interviewed by Agent (see serial 1336 and 4th report page 181.)

With reference to your letter of October 8, 1968, we wish to inform you that Mr Dieter STRAND, born on October 23, 1936, is a journalist employed by the Swedish newspaper "Aftonbladet". He is at present stationed in the U.S.A. as correspondent for this paper and can thus be contacted at their editorial office in New York. Sven Thorander, Detective Superintendent in the C.I.D. of the Stockholm Police, has advised an attaché of the American Embassy in Stockholm, Mr Mike Phillips, that it was possible for the New York editorial office to invite Mr. Strand to get into touch with the nearest office of the F.B.I. This proposal was accepted and on October 23, 1968 one of the editors of "Aftonbladet" informed the Police that Mr Strand had been invited to contact an office of the F.B.I.

ENCLOSURE (25-122)

ENCLOSURE (25-3300)

JOHN

Date September 26, 1968

Mrs. RICHARD E. BACON, 2517 Boyd Street, Des Moines, Iowa, furnished the following information concerning Miss AASE G. JENSEN, a registered guest at the Ambassador Hotel, Los Angeles, California, on June 4, 1968:

Miss JENSEN is a family friend whom the BACONs met during the summer of 1967 while Mr. BACON was working on a foreign assignment for the Ford Implement Company in Copenhagen, Denmark. While in Denmark, Mrs. BACON invited Miss JENSEN to visit them on a trip she was planning to the United States in 1968.

Miss AASE G. JENSEN arrived at the BACON residence in Des Moines, Iowa, during the early part of May, 1968. After remaining in Des Moines, Iowa, for a few weeks as a house guest of the BACONs, she desired to see the western part of the United States and made arrangements for this travel through a Greyhound Bus tour. Following this tour, she returned to Des Moines, Iowa, and during the latter part of July, 1968, accompanied Mr. and Mrs. BACON on a vacation trip to Maine.

Sometime around July 22, 1968, Miss AASE JENSEN departed the United States and returned to Denmark. Her current address is:

Miss AASE G. JENSEN
Valby Langgade 482 No. 8
Valby
Copenhagen, Denmark

Mrs. BACON said that Miss JENSEN is employed as a waitress at the Baltic Hotel in Copenhagen, Denmark, a job she has had for the past seven or eight years.

Mrs. BACON said that Miss JENSEN is a Danish citizen and speaks very little English. She said that when Miss JENSEN returned to Des Moines, Iowa, from Los Angeles, California, she said she was in her room at the Ambassador Hotel the night Senator KENNEDY was assassinated and had been upset by the noise, sirens and screaming that followed the shooting.

On 6/4/68 the above-captioned person was a registered guest at the Ambassador Hotel, Los Angeles, California.

At 12:15 A.M. on 6/5/68, SIRHAN B. SIRHAN, at the conclusion of a victory rally by the late Senator ROBERT F. KENNEDY (D-New York), in the kitchen area leading off the Embassy Ballroom shot and killed Senator KENNEDY, utilizing a .22 caliber revolver.

The Los Angeles Police Department requested the assistance of the Bureau in the location and interview of guests of the hotel in an effort to determine whether or not any of the guests might be in possession of any information concerning a possible conspiracy, might know SIRHAN, or might have seen him about the hotel on the night of 6/4/68.

All information, negative or positive, should be incorporated into an FD-302, as all information is being disseminated to the District Attorney, Los Angeles County, in report form, such reports being prepared by Los Angeles.

Trial date is tentatively set for the first part of November 1968, and it would be appreciated if the lead is covered in an expedite fashion. For your assistance, there is enclosed a diagram of the hotel area and location of the shooting.

RE: Trial Date of SIRHAN BISHARA SIRHAN

On 11/25/68, Mr. JOHN HOWARD, Deputy, Los Angeles County District Attorney, advised his office has received no "official" notification of any change in the trial date of 12/9/68, for SIRHAN B. SIRHAN. He advised, however, that speculation is that a continuance for the beginning of the trial will undoubtedly be sought by GRANT B. COOPER who is expected to enter the case in behalf of the defense of SIRHAN. It is Mr. HOWARD's opinion that due to the fact that Mr. COOPER is currently engaged in defending one of the defendants in the Friars Club trial in U.S. District Court, Los Angeles, he will not be prepared to properly represent SIRHAN on 12/9/68.

On 11/25/68, Mr. H.M. FREDIANI, Criminal Courts Coordinator for the Los Angeles County Superior Court System, confidentially advised as follows:

No action of record has taken place to date with respect to a continuance for a trial for SIRHAN B. SIRHAN. He expects, however, that on 12/3/68, all of the litigants will reappear before Judge HERBERT V. WALKER to request a continuance in the beginning trial date, which is now scheduled for 12/9/68.

Dear Sirs:

Last June when Senator Robert Kennedy was shot, I requested through our local FBI office that information be sent to you to the effect that it might be of importance to know whether Mr. Sirhan Sirhan was using one of the amphetamine drugs at the time of the incident. It was suggested that a urine sample be obtained for analysis of amphetamine content.

As you are well aware, amphetamines have become increasingly implicated in certain violent forms of behavior and especially in certain murder cases. The association of amphetamine use with violence has been of special interest to a group of us here at Duke studying this problem. We have indications that certain of the other assassination attempts were by people who were known users of amphetamines; for instance, James Earl Ray apparently was a known user of methadrine.

Because this is such a vital problem at present, we would appreciate any information that you could give us concerning either (1) the urinalysis if it was done and/or (2) information about a past history of having used amphetamines in Mr. Sirhan Sirhan's case. Since there is a possibility that this information would not be available before trial, I would appreciate a letter to this effect, if that is the case.

We would appreciate any consideration that you can give us in this matter.

Sincerely yours,

E. H. Ellinwood, Jr., M.D.

Enclosed are 22 copies of FD 302 of interview with Richard Evans.

ReLAletters (2) to NY both dated 9/16/68 requesting interviews
with Loudon Weainwright of the N. Y. Times and also an interview
with L. S. Wainwright of Time, Inc.

Enclosed are 22 copies of an FD 302 of an interview with
Loudon S. Wainwright who is identical with the above two
names.

In addition to information set forth in the FD 302, Wainwright
stated that he was of the opinion that Life Magazine possessed a
photograph which was taken at the Max Rafferty meeting in a room
across the lobby from where Senator Kennedy was shot. Wainwright
believed that Sirhan Sirhan could be observed in the photograph
and that he appeared to be with another male. Wainwright assumed
that they were together because neither was dressed for the occasion
while everyone else was. Wainwright was not certain but believed
that the photograph was published.

Mr. Richard Pollard, Head of Photographers, Life Magazine,
New York, N. Y. stated that there was such a picture but that it
was concluded that it was not Sirhan. There were two pictures
taken at the Rafferty meeting, both by Paul Glickman, a free
lance photographer. Pollard is no longer in possession of the
pictures. Glickman can be located through Gale Rosenberg, a
parttime researcher for Life Magazine at 9570 Wilshire Blvd, Beverly
Hills, Calif., tel. #213-CR3-1530. Life Magazine office in
Beverly Hills may have a copy of the photographs but Pollard
doubts it. New York is taking no further action as to the
picture.

interviewed by this office with the exception of MURIEL LEE, who did not actually observe the shooting of Senator ROBERT KENNEDY nor did she observe SIRHAN prior to the shooting. Interview of MURIEL LEE will be conducted by the Los Angeles Office and the results set forth in a forthcoming Los Angeles report.

It is noted that this list of witnesses does not include any technical or medical witnesses. The names of such witnesses to be used have not as yet been furnished by the Los Angeles County District Attorney's office.

For the information of the Bureau, as of approximately noon, 12/4/68, the Pasadena Police Department, who have had a fixed observation post on the SIRHAN residence in Pasadena, advised that this was now being given up. The Pasadena Police Department advises that the security measures in effect will be (1) frequent pass-bys by a police cruiser and a stop by a police cruiser at the residence at least once a day, (2) the installation of a "hot telephone" at the SIRHAN home so that anyone at the residence wishing to contact the Pasadena Police Department may do so by merely lifting the receiver.
